

Preface to the 2012-2013 edition

This newly revised and expanded edition of all three Sophomore Music Manuals was made possible by support from The Mellon Foundation, as part of a grant to revise the manuals for both years of music at St. John's College, as well as the Freshman and Sophomore Music Program generally. This grant included funding for a summer study group in 2007, and I am deeply indebted to the members of that group: Jan Arsenault, Monika Cassel, John Cornell, Andrew Kingston, Peter Pesic, Julie Reahard, Greg Schneider, and Caleb Thompson.

I would be grateful for any comments or corrections.

Preface to the 2022-2023 edition

This edition includes a revision of much of the backend formatting as well as some minor textual corrections to previous editions. A reference to the digital versions of the scores in *Gradus ad Parnassum* created by Joey Leakakos was added. It was completed by Carl Guttmann under the supervision of Claudia Hauer and Joey Leakakos. Thank you to Casey Andersen for editing and updating the 2022-2023 manual.
